

THE STATE OF NEVADA  
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, Patrick Keegan has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from Lower Sulphur Spring through the Lower Sulphur Spring ditch, pipeline, flume ( reservoirs ) for irrigation, power, stock ( ) and domestic purposes, the point of diversion named in said application being as follows: at the spring which bears S 22° 14' W, 34,125 feet distant from a post on the Nevada-Utah State Line marked thus N U G C and situated in White Pine County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of Section 29, Chapter XVIII, Statutes of 1907, has determined the amount of such appropriation as follows:

Name of appropriator Patrick Keegan.  
Postoffice address Taft, White Pine County, Nevada.  
Amount of appropriation 0.0125 cubic feet per second.  
Date of appropriation March 31, 1910.

~~Description of irrigated land.~~ Description of works:-  
Excavations have been made and small dams built immediately below the spring, thus forming a series of small reservoirs, which conserve sufficient water for 2000 head of goats and 50 head of horses.

Description of use other than irrigation

Stockwatering and domestic purposes

The right to water hereby determined is limited to stockwatering the entire year for horses and the period between October 1st and March 15th of the following year for all other stock, and the use is restricted to the place where acquired and to the purpose for which acquired; rights for irrigation not to exceed three acre-feet per year for each acre of land for which appropriation is herein determined. Continued title to water depends upon beneficial use of water appropriated.

IN TESTIMONY WHEREOF, I W. M. KEARNEY, State Engineer of Nevada, have hereunto set my hand and the seal of my office, this Thirteenth day of May A. D. 1913.

W. M. Kearney  
State Engineer
